Tackling Marine Litter in the Atlantic Area

Workshop

Advances in tackling marine litter issues

Wednesday 4th December 2019

Marine Institute, Oranmore, Co. Galway

AGENDA

Interreg
Atlantic Area
European Regional Development Fund

EUROPEAN UNION

**Clean
Atlantic**

Workshop Agenda

The workshop is aimed to be a networking event bringing together representatives from the Interreg Atlantic Area CleanAtlantic project and representatives from Irish institutions involved in marine litter projects, programs and initiatives. Achievements to date as well as future work plans will be presented and discussed during the event in order to raise awareness amongst the participants, identify synergies and gaps and foster future partnerships.

Marine Institute – Foras na Mara
Rinville, Oranmore, Co. Galway. H91 R673. Ireland
