The screenshot displays the 'CleanAtlantic initiative database' interface. At the top, there are search filters for Registration date, Initiative name, Country, Category, Actors involved, Target, and Target (details). Below the filters is a map of the Atlantic region, showing countries like Ireland, United Kingdom, France, Spain, Portugal, and Morocco. A detailed view of the 'Proyecto NeumaticOUT' initiative is shown in a pop-up window. The initiative is an initiative of 'Universidad de Alcalá'. The 'Initiative informations' table lists the following details:

Initiative informations			
Category	Clean-up/Recovery	Target	Tyres
Sub-category	Clean-up Ops (at-sea)	Actors involved	Scientists
Type	By diving		
Subtype	Scuba diving		

Below the table, it states: 'This initiative was identified by the CleanAtlantic project extension (2022-2023)'. The bottom of the screen features logos for Interreg Atlantic Area, European Regional Development Fund, European Union, and Clean Atlantic.
